I, (please print name) _____, am aware of the potential spread of COVID-19 that could result in severe illness and potential death. Therefore, I will, to the best of my ability, practice proper social distancing at work and outside of the office as recommended by health department directives, as well as practice good hygiene (handwashing, use of hand sanitizer, disinfecting shared use items in my teaching studio, etc.) and follow other health and MANC recommendations. Should I become ill, I promise to self-report the illness and contact Executive Director, Kellie Burgess, to let her know of my condition (identity will remain confidential). I will adhere to testing guidelines and work with my own primary care providers. Finally, if I am exposed or suspected to be exposed to COVID-19, I will self-quarantine, contact Executive Director, Kellie Burgess, and work remotely or take sick leave until such time as my physician advises that I am no longer ill, and I am not a potential source of contagion.
